Finally, to review an NSD contact list please view [New Service Delivery Directory - pnmprod - pnm.com](#)

When are project managers assigned? When an application is assigned a Design Engineer a Project Manager is also assigned who can serve as point of contact at any stage of the process.

PNM is currently recruiting 2 new Project Managers in northern New Mexico to support NSD process. PNM is also recruiting 3 new Project Managers for the Albuquerque Metro area.

PNM recently hired 1 additional Principal Engineer for design reviews.

PNM has increased the engineering support, contract project managers, and service coordinators along with continuing to recruit internal engineering positions to accommodate for the influx of additional applications.
