About This Collection

Cikai Moon, a joven with a daring spirit, grabó the perfect momento as she estaba jugando beneath the moon, thinking she was just creating memories with her novio. Her adventures take her to rooftops, theme parks, and crowded daytime markets, always exposing her wild side. Whether she's guided by stars or chasing the night, Cikai invites you to enjoy every second of her bold journey. In one scene, she poses like a goddess on top of a wave under a full moon, while in another, a stressed girl explores the attic, chasing shadows and light. But this fearless model has bigger plans: she's building a place to enjoy her outdoor adventures, far from ordinary backdrops. Join her on Patreon and view the full gallery through the link above.
