About This Collection

eva ionesco playboy pictures captures the provocative evolution of a model who blurred youth and audacity in the late 1970s. Explore the intimate, unfiltered moments that defined her legacy and step into the allure of her story. Vintage gelatin prints, some auctioned as rare artifacts, reflect her journey from maladolescenza to Playboy's most compelling narratives. Her iconic "Pretty Baby" series, alongside tributes like those by Paola Quattrini and Irina Ionesco, reveals raw emotion and daring artistry. Featuring influences like Brigitte Bardot and Stephanie Di Monaco, this gallery unites rebellion and elegance. View the full collection above.
