About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Use "to" instead of "in order to"; but Chinese language, maybe not relevant. Must be one coherent paragraph, no markdown, no lists, no quotes. No em/en dashes. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". So description in Chinese. No emojis, no curly quotes, no markdown, no bold. No "not only X but Y", "At its core", forced groups of three items. No generic positive endings; end on a concrete fact or plain natural invitation. Must be in same language as title "花臂夫夫" which is Chinese. No AI-flag words (list). Use "because" instead of "due to the fact that". Vary sentence length naturally, state things directly, keep every claim supported by captions.

We need to produce 60-90 words in Chinese. But requirement is 60-90 words. Let's count approximate Chinese characters/words. Not sure. Since Chinese has no spaces, maybe they count Chinese characters as words? Hard. Could add spaces between words. Better to produce a paragraph with about 80 Chinese characters separated by spaces? But we can produce about 70 Chinese characters, which might be considered ~70 words? We'll aim for ~70 Chinese characters (maybe 70-80 Chinese characters). The word count may be measured by tokens separated by spaces. But they said plain text only, no markdown. To be safe, produce about 80 English words? But better to write in Chinese with punctuation, not spaces. In Chinese, "words" ambiguous. Word count maybe measured in Chinese characters? Safer to produce about 80 Chinese characters (maybe 80 tokens). Might be okay. But they likely count words separated by spaces. "Title is Chinese, so description in Chinese. But must be in Chinese. Could write Chinese sentence with spaces between words? Could produce Chinese but also include English words? Chinese words count maybe each token. Hmm.

We need to reuse at least 20% of key words from captions. Key words: "花臂", "夫夫", "新片速递", "91", "探花", "大神", "花臂哥", "酒店", "约炮", "家里", "缺钱", "出来", "兼职", "美女", "嗨", "Akari asagirl", "Porn comic", "Rule 34 comic", "Cartoon porn comic", "takos.sk", "earliest tentacle porn hentai porn cum gay tentacle wine glass", "花臂夫夫和凉太", "Japanese ゲイバー", "中国人", "porn video at Gay.Bingo 6K", "够大够猛", "无套爆操各种姿势极品花臂纹身小姐姐66666歪日符文战", "19.6K", "花臂老师/花臂夫夫20250417新家的景色如此性感", "我们的每一天都充满乐", "蜜桃夫", "PingBlake39382's tweet video", "这厚度这冲击力好好想想一下屁眼爽不爽", "打飞", "ขอบคุณครับผมหลายคน", "alwn25047111's tweet video", "中文的性感妻子", "爱爱", "肉肉", "身材", "花臂", "纹身", "隔着", "内裤", "逼近", "距离", "拍摄", "口交", "舔屙", "翘起", "屁股", "后入", "Что может дать 40-50 летняя старушка парню ровеснику", "Asiatisches Anal", "Asian Fucking", "Asian Hardcore Sex", "Gay.Bingo", "猜你喜欢花臂夫夫", "hiub.mn", "rule34-scroller.vercel.app", "花臂夫夫", "视频地址.sendvid.comembed0wloi05n", "视频地址.sendvid.comemb", "18 TEASER When you have a crush on your co-worker 🌲👁️💕---Future Pr..."

We need to reuse at least 20% of key words. That is ambiguous. But we can include several distinctive terms: "花臂", "夫夫", "酒店", "约炮", "纹身", "无套", "后入", "口交", "舔屙", "极品", "大神", "探花", "兼职", "美女". Use them in description.

We need to produce a paragraph, not list. So something like "点击上方链接查看完整图集". Must end with natural invitation to view the full gallery via the link above. Must be plain text.

We cannot use any AI-flag words: "delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, it is important to note, serves as, boasts". Avoid them. Also no em/en dashes. Use commas or separate sentences.

No "not only X but Y", "At its core", forced groups of exactly three items. So avoid enumerations of three items. Use varied sentence length.

Use "to" instead of "in order to" (but Chinese). Use "because" instead of "due to the fact that". Not needed.

No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Avoid those.

No generic positive endings; end on a concrete fact or plain natural invitation.

No emojis, no curly quotes, no markdown, no bold.

We must vary sentence length naturally, state things directly, keep every claim supported by provided captions.
