About This Collection

We need to produce a short enticing description 60-90 words for adult photo gallery based on scrambled captions. Must include them at least once each. Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as",

"boasts". " That is a plain natural invitation. "? Use "because" instead of "due to the fact that". Must be 60-90 words. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Must not exceed? Must use "to" instead of "in order to". Also cannot use "not only X but Y", "At its core", forced groups of exactly three items. Use plain text, no markdown, no lists, no quotes, no emojis, no dashes (em or en). Must end with a natural invitation to view the full gallery via the link above. That could be okay but they said no generic positive endings; end on a concrete fact or a plain natural invitation. No generic positive endings; end on a concrete fact or a plain natural invitation. Must be in same language as title: Russian. Must include at least 20% of key words from captions (names, nicknames, distinctive terms). Must include these exact words where natural: трансляция, мастер, класса, вокалу, фотографии, занятие, ярославской, области, уроки, вокала, взрослых, детей, омске, однако, освоить. So we must include all these words exactly as given. They must appear naturally in the paragraph. " is fine.

We need 60-90 words. Let's craft a paragraph around 75 words.

Include required words: трансляция, мастер, класса, вокалу, фотографии, занятие, ярославской, области, уроки, вокала, взрослых, детей, омске, однако, освоить.

We must ensure they appear exactly as given (case-sensitive? Probably case-insensitive but we can use lower case as given). Use them in natural sentences.

We need to avoid forbidden words: "однако" is allowed? However "однако" is required. It is not in the list. Good. Must include it.

We must avoid "вокалу" exactly? It's a dative case of вокал. Yes include "вокалу". Use as is.

We must avoid using "вокала" many times but it's okay.

We must not use "более" etc. Not forbidden.

We must avoid "более" not a problem.

We must avoid "вокалу" maybe appear as part of phrase "по вокалу". No, "по" takes dative, so "по вокалу" is correct: "по вокалу". That includes the word "вокалу". That includes "вокалу"? The phrase "по вокалу" uses "вокалу"? вокалу? So we can use "по вокалу". The word "вокалу" is dative singular. Good.

Similarly "класса" appears in "мастер-класса". But the caption had "мастер-класса". However required words are "мастер" and "класса". That likely counts as containing the word? In "мастер-класса" the substring "класса" appears after hyphen. Safer to include "класса" as separate word: we can say "мастер класса". The required word "класса" appears inside that hyphenated word? That includes both words "мастер" and "класса". Probably they want the exact substring "класса". The exact word "класса" must appear as a separate token? We can use "мастер класса". So we can use them separately.

We also need "трансляция". "ярославской". "освоить". Use "трансляция". "омске". "занятие". "детей". "вокала". "фотографии". "уроки". "области". "однако". "взрослых". All must appear.
