About This Collection

The fruitynuns gallery mixes indie brands and anime vibes, where love signs and naming your business meet a cat tshirt and macarons on a fruity-nutty background. A nun captured mid-air with one leg raised and arms extended floats above the cathedral of Notre Dame of Lausanne, her revealing black outfit catching light. The collection teases oc anthro characters, animate fungus, and fictional species, all signed with отметок quot нравится quot. Фея brings art born from stable diffusion and цифровой рисунок, while pueblo love signs mark each frame. Browse the full gallery above and see why your feed will thank you.
