About This Collection

Step into Typh's playful, furry world where Mimi—a dog-eared, fluffy-tailed cutie with heart-shaped pupils—reigns supreme. Whether she's clapping cheeks in doggy style, flashing a middle finger on the beach, or pulling a bigger male into a messy ahe gao moment, Mimi owns each scene. From huge breasts, a massive ass, and thick thighs to teasing winks, facesitting POV, and under-clothes paizuri, every panel mixes canine charm with shameless heat. View the full gallery above and let Typh's animation meme energy pull you in.
