About This Collection

Step into a world where Nobita's innocent face meets the wildest animated fantasies, with Doraemon gadgets taking a backseat to raw, rule34 desires. From Tamako Nobi's first anal lesson to Shizuka's comic encounters, and a playable Doraemon X game that breaks every boundary, this gallery mixes mom punishment, bad habits,

and lewd cartoons into one unforgettable ride. Nobita, his mom, and the whole gang star in explicit scenes that blur nostalgia and porn. Click the link above to see the full gallery now.
