About This Collection

The zooskool stray x gallery captures the raw, unapologetic energy of the underground zoo scene. Tattooed stars like Gabby and the infamous Rottie take center stage, moving from playful puppy training to intense missionary dog sessions. From ArtOfZoo to zTube, this is the skool of hard knocks. The gritty, trashy aesthetic of Stray-X blends folklo charm with hardcore bestiality, while titles like The Record and Dream Lover promise two-hole action and devil-dog devotion. Dive into the full gallery above and see every shocking frame.
