About This Collection

Unlock the full potential of Salesforce with event management software that transforms client databases into dynamic platforms. Compare features, build custom apps, and discover the differences. From native registration and AppExchange integrations to membership management, loyalty programs, and Wave analytics, this gallery showcases tools for conferences, webinars, and more. See how Click & Pledge, Nimble AMS, zkipster, and AC Events Lite handle imports, messages, and charts—all low-code. Dive into the gallery above for pricing and everything else.
